Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule 1.322.

Respecting the alleged error(s) in Col. 4, after inspection of the application, it is revealed that no error was found - the line is printed in accordance with the record. Being that the exact location of the alleged error was not provided, by listing the col.# and line # the alleged error is found - in the printed patent, and using the information provided in your request, listing the location of the alleged error as – "claim 1, line 22", of which, the only word in such likeness as "caster" in the vicinity of line 22 of claim 1, is already printed as "casters". Hence, being no fault of the Patent and Trademark Office, no correction(s) are in order here under United States Codes (U.S.C.) 254 or 255 and the Code of Federal Regulation (C.F.R.) 1.322 or 1.323).

In view of the foregoing, your request is hereby denied.
